

Seedlings🌱: "Now Thank We All Our God""

Now Thank We All Our God

*O may this bounteous God
through all our life be near us,
with ever joyful hearts
and blessed peace to cheer us,
to keep us in his grace,
and guide us when perplexed,
and free us from all ills
of this world in the next.*

*We thank you, O Lord of the harvest,
for creating the world
and for preserving it until now.
We thank you for the regular return of day and night,
and of the seasons,
and for the dependability of nature and of time.
We thank you for memory,
which enables us to build on the experiences of the past;
for imagination,
which admits us to a wider world than we could otherwise know;
and for foresight,
by which we plan for the future.
We thank you for your patience with us in our failings;
for friends and family with whom we can celebrate our successes;
and for those closest to us who support us in our times of need.
Bless this meal and us gathered here.
Bless those who have little food or friends to comfort them in body
or spirit.
Bless those who are unable to be with us this day,
and those who have gone before us in faith.
We ask this in your name.*

As he came out of the temple, one of his disciples said to him, "Look, Teacher, what large stones and what large buildings!" Then Jesus asked him, "Do you see these great buildings? Not one stone will be left here upon another; all will be thrown down." When he was sitting on the Mount of Olives opposite the temple, Peter, James, John, and Andrew asked him privately, "Tell us, when will this be, and what will be the sign that all these things are about to be accomplished?" Then Jesus began to say to them, "Beware that no one leads you astray. Many will come in my name and say, 'I am he!' and they will lead many astray. When you hear of wars and rumors of wars, do not be alarmed; this must take place, but the end is still to come. For nation will rise against nation, and kingdom against kingdom; there will be earthquakes in various places; there will be famines. This is but the beginning of the birthpangs.
